The purpose of this document is to inform you of the procedure that must be followed to submit a formal complaint with us. Please be advised that our internal complaints resolution procedure may be amended or cancelled by us at any time.

COMPLAINT MUST BE RELEVANT

In terms of the Law, a "complaint" means a specific complaint relating to a financial service rendered by a licensee or a representative of the licensee, to the complainant on or after the date of commencement of the Law, and in which complaint it is alleged that the licensee or representative:

- has contravened or failed to comply with a provision of the Law and that as a result thereof the complainant has suffered or is likely to suffer financial prejudice or damage; or
- has wilfully or negligently rendered a financial service to the complainant which has caused prejudice or damage to the complainant or which is likely to result in such prejudice or damage; or
- has treated the complainant unfairly.

The financial services environment is complex. We will endeavour to address all reasonable requests from our clients, but may also refer you to a more appropriate facility. Where the complaint relates to any aspect of our service, or any disclosures that ought to be made by us, we will endeavour to address those complaints in writing, within seven days.

In instances where the complaint relates to any matter that is not within our control, such as product information or investment performance, we will forward the complaint to the product supplier concerned. Please be advised that we reserve the right to recover costs or damages that we suffer because of clients making frivolous, vexatious or unreasonable claims.

COMPLAINT MUST BE IN WRITING
